

## REMARKS

This is in response to the Office Action (Notice of Non-Compliant Amendment – 37 CFR 1.121) dated May 7, 2007. A request for extension of time of two months under 37 CFR 1.136(a) accompanies this document and is available because this is a response to a non-final action. In the Notice of Non-Compliant Amendment – 37 CFR 1.121, the USPTO required compliance with paragraph 4A of the Notice. In particular, paragraph 4A requires the listing of claims to include all of the claims including canceled claims (although the text of canceled claims need not be provided). In the previously submitted amendment, applicants had not listed all the canceled claims. This has been corrected in this paper and the a listing of all canceled claims is provided herein.

If Examiner has a question or comment or if Applicants' attorney can assist in any manner whatsoever, Examiner is respectfully requested to telephone the undersigned.

Respectfully submitted,  
Benjamim Tang et al
